AUTOMATIZANDO LOS TIEMPOS VERBALES

VOL. 1 - ENGLISH

By IG @samilrodriquez

INTRODUCCIÓN

Una de las mayores dificultades al aprender inglés no es la falta de vocabulario, sino la incapacidad de expresar ideas pequeñas con fluidez. Muchas personas saben palabras, pero se bloquean al momento de hablar porque deben pensar demasiado en qué tiempo verbal usar y cómo estructurar la frase. Este bloqueo ocurre porque los tiempos verbales no están **automatizados**.

Cuando no dominamos los tiempos, nuestra mente se detiene a analizar reglas en lugar de comunicar ideas, lo que genera inseguridad, pausas largas y miedo a equivocarse. Esta guía nace a partir de un estudio práctico del idioma, enfocado en los cinco tiempos verbales más utilizados en la comunicación real:

PRESENT SIMPLE	PAST SIMPLE	FUTURE SIMPLE	PRESENT PERFECT	CONTINUOUS
57.5%	19.7%	8.5%	6.0%	5.1%

96.8% DEL INGLÉS HABLADO

Estudios han demostrado que estos son los tiempos verbales más usados en todo el inglés que se habla a diario. El propósito de este cuaderno es ayudarte a reconocer patrones y estructuras clave, para que puedas moverte entre diferentes tiempos sin detenerte a pensar en la gramática. A través de ejemplos simples y repetitivos, este material te permitirá comenzar a formar ideas cortas, claras y funcionales, sentando las bases para una fluidez real.

> 💡 **MÉTODO GRADUAL**
>
> *"Cuando domines los tiempos con estos 5 verbos, avanzas a 10, y luego a 20. Debes ir de forma gradual para que sea efectivo."*

NOTA: *Las contracciones no son opcionales en el inglés hablado, son la norma. Reconocerlas y usarlas permite pensar más rápido y hablar sin pausas. El objetivo de esta página es que puedas auxiliarte de ella cuando sea necesario, ya que de manera visual te ayudará mucho a la hora de poner en práctica la lectura de cualquier contenido. Los ejercicios a continuación no necesariamente serán contraídos, debemos ejercitar nuestra escritura y lectura en voz alta primero en la forma básica de escribir y luego con la práctica avanzamos a las contracciones.*

DATO IMPORTANTE: EL OBJETIVO ES LA FLUIDEZ, NO LA PERFECCIÓN GRAMATICAL.
